

Converse Baby shoe Machine Knitting

Instructions for Youtube video by Amanda Machine Knits in Spanish

<https://www.youtube.com/watch?v=2r2RAIL7r9w>

Bootie size 3-6 months

Standard knitting machine
T6

Cast on 35L to 35R waste yarn (green), Knit 6 rows

Change to White yarn, Knit 6 rows

Change to Blue yarn, Knit 6 rows

Need to work on centre 12 needles.

Put centre 12 needles plus right needles into hold

Change Russell levers to not knit needles in hold

Take left stitches off onto waste yarn

Put centre 12 needles into hold and
the right needles into upper working position

Take Right stitches off onto waste yarn

You now have the centre 12 stitches on machine with both left and right knitting on waste yarn hanging down either side.

Change russell levers to knit back from hold
With Blue yarn, knit 2 rows. Tie the yarn tail at the left of the knitting.

Knit the toe, picking up knitting on the sides

Pick up one loop each side from knitting on waste
Knit 2 rows

Repeat until 18 stitches each side on waste.

Knit 20 rows for the tongue.

COL, cast off around the gate pegs.

Remove knitting from the machine.

The sides will be knitted separately.

Hang the left side from waste yarn on the needles.

Pick up 5 stitches from the toe section

Knit 2 rows with Blue yarn

COL, with 2 prong tool decrease by moving 1 needle to the left

Knit 2 rows

Decrease 1 stitch as before

Start eyelets for shoe lace

Move the stitch left of the 2 used for the decrease to the left, leaving the needle in work.

Knit 2 rows.

Every 2 rows, decrease by 1

Every 4 rows, make eyelet.

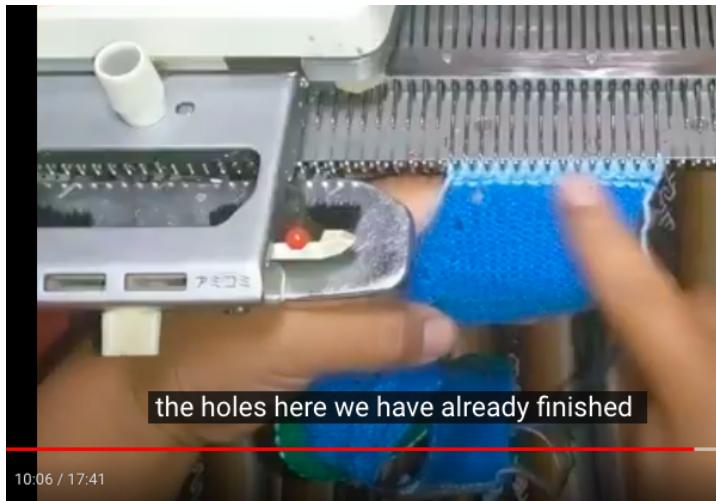

Repeat until there are 4 eyelets (holes)

Take off onto waste yarn, leaving a long tail of yarn to sew back seam.

COR

Knit the other side, with the decreases on the left of the knitting

After knitting both sides

Knit the Sole

COL

Hang the centre 12 stitches on the machine

With white yarn knit 2 rows. Tie yarn tail

Pick up one stitch from each side

Knit 2 rows.

Repeat picking up one stitch each side and knitting 2 rows until there are 6 stitches each side.

Take off onto waste yarn

Turn work and rehang 12 stitches

Remove waste yarn

Fold sides in and hang the 6 stitches from each side on the 12 needles.

Knit a row

Cast off around the gate pegs.

Knit the cuff

Rehang top of boot with back of the boot in the centre

White yarn knit 10 rows

Tension 10, knit 1 row for fold of cuff hem.

Tension 6, knit 10 rows.

Hang first row of cuff back on the machine. Pick up the stitches where the white starts after the blue.

Tension 10, Knit 1 row. (Larger stitch size will allow more space for the 2 row to be joined and help stop the flip)

Cast off around the gate pegs.

Take it off the machine and remove the waste yarn.

this is how the shoe would be left
without the wool.

without the wool. auxiliaries now
this part back here we are

Mattress stitch the back of the boot.

Using 3 needles, knit an i-cord for 169 rows.

Lace up boot.

Knit a second boot.
